Part X - FIN 48 Footnote

Phoebe Putney Health System, Inc., Phoebe Putney Memorial Hospital, Inc., Phoebe Worth Medical Center, Inc., Phoebe Sumter Medical Center, Inc., Phoebe Physician Group, Inc., and Phoebe Foundation, Inc. are not-for-profit corporations that have been recognized as tax-exempt pursuant to Section 501(c)(3) of the Internal Revenue Code. Phoebe Putney Indemnity, LLC is not subject to federal income taxes due to its organization as a single member LLC. Phoebe Putney Health Ventures, Inc. is a for-profit entity. With respect to its for-profit entity as well as any unrelated business income generated through the tax-exempt entities, the Corporation accounts for income taxes using the asset and liability method. Under this method, deferred income tax assets and liabilities are recognized for

Part XIII Supplemental Information (continued)

future income tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective income tax bases, and operating loss and income tax credit carryforwards. Deferred income tax assets or liabilities are measured using enacted rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred income tax assets and liabilities of a change in rates is recognized in income in the period in which the enactment date occurs. The Corporation is required to establish a valuation allowance for any portion of the deferred tax assets that management believes will not be realized. The Tax Cuts and Jobs Act was passed by Congress on December 20, 2017 and signed by the President of the United States on December 22, 2017. The Act reduces the federal corporate income tax rate to a flat 21% rate effective January 1, 2018. The effect of this change in the tax law for Phoebe Putney Health Ventures, Inc. is reflected in the consolidated financial statements for the year ended July 31, 2018.

The accounting policies prescribe when to recognize and how to measure the financial statement effects of income tax positions taken or expected to be taken on its income tax returns. These rules require management to evaluate the likelihood that, upon examination by the relevant taxing jurisdictions, those income tax positions would be sustained. Based on that evaluation, the Corporation only recognizes the maximum benefit of each income tax position that is more than 50% likely of being sustained. To the extent that all or a portion of the benefits of an income tax position are not recognized, a liability would be recognized for the unrecognized benefits, along with any interest and penalties that would result from disallowance

Part XIII Supplemental Information *(continued)*

of the position. Should any such penalties and interest be incurred, they would be recognized as operating expenses.

Public Inspection Copy

Based on the results of management's evaluation, no liability is recognized in the accompanying consolidated balance sheet for unrecognized income tax positions. Further, no interest or penalties have been accrued or charged to expense as of July 31, 2018 and 2017 or for the years then ended. The Corporation's tax returns are subject to possible examination by the taxing authorities. For federal income tax purposes, the tax returns essentially remain open for possible examination for a period of three years after the respective filing deadlines of those returns.

Service to the Community

Phoebe Putney Health System, Inc. (PPHS) is a not-for-profit health care organization that was formed to serve as the parent organization of a group of affiliated entities and as such, its primary purpose is to plan, coordinate, and direct the group and to provide centralized administrative and management services to the exempt entities in the group. PPHS is recognized as exempt under Section 501(c)(3) of the Code and is classified as a public charity under Section 509(a)(3) of the Code. Currently, the affiliated entities comprising the group include: Phoebe Putney Memorial Hospital, Inc. (PPMH), Phoebe Foundation, Inc. (Foundation), Phoebe Putney Health Ventures, Inc. (Health Ventures), Phoebe Physician Group, Inc. (PPG), Phoebe Putney Indemnity, LLC (PPI), Phoebe Sumter Medical Center, Inc. (PSMC) and Phoebe Worth Medical Center, Inc. (PWMC).

As a tax exempt organization, PPHS has no stockholders or owners. All revenue after expenses is reinvested in our mission to care for the citizens of the communities served by PPHS and its affiliated entities and includes clinical care, health programs, state-of-the-art technology and facilities, research and teaching and training of medical professionals to meet current and future needs.

PPHS operates as a charitable organization consistent with the requirements of Internal Revenue Code Section 501(c)(3) and the "community benefit standard" of IRS Revenue Ruling 69-545. PPHS takes seriously its

responsibility as the community's safety net hospital and has a strong record of meeting and exceeding the charitable care and the organizational and operational standards required for federal tax-exempt status. PPHS demonstrates a continued and expanding commitment to meeting our mission by providing community benefits. A community benefit is a planned, managed, organized, and measured approach to meeting identified community health needs, requiring a partnership between the healthcare organization and the community to benefit residents through programs and services that improve health status and quality of life.

Through its affiliated group of hospitals, PPHS improves the health and well-being of Southwest Georgia through clinical services, education, research and partnerships that build health capacity in the community. Each hospital provides community benefits for every citizen in its service area as well as for the medically underserved. The hospitals conduct community needs assessments and pay close attention to the needs of low income and other vulnerable persons and the community at large. The organization often works with community groups to identify needs, strengthen existing community programs and plan newly needed services. In addition to providing free and discounted services to people who are uninsured and underinsured, the organization provides a wide-ranging array of community benefit services designed to improve community and individual health and to increase access to health care. PPHS's excellence in community benefit programs was recognized by the prestigious Foster McGaw Prize awarded to the hospital in 2003 for its broad-based outreach in building collaboratives that make measurable improvements in health status, expand access to care and build community capacity, so that patients

receive care closest to their own neighborhoods. Drawing on a dynamic and flexible structure, the community benefit programs are designed to respond to assessed needs and are focused on upstream prevention.

As Southwest Georgia's leading provider of cost-effective, patient-centered health care, PPHS's affiliated hospitals participate in the Medicare and Medicaid programs and are among the leading providers of Medicaid services in Georgia.

The following table summarizes the amounts of charges foregone (i.e., contractual adjustments) and estimates the losses incurred by the organizations due to inadequate payments by these programs and for indigent/charity. This table does not include discounts offered by the organizations under managed care and other agreements:

	Charges Foregone	Estimated Unreimbursed Cost

The committee incorporates a formal performance appraisal process in the other Officers and Key Employees compensation review. It utilizes a multi-perspective approach and performance measures which are linked to the organization's long-term strategic plan and achievement of annual system objectives.
