Part V, Line 4 - Intended Uses for Endowment Funds

The intended use of the funds is to further the organization's tax-exempt purpose.

Part X - FIN 48 Footnote

The Corporation is a not-for-profit corporation that has been recognized as tax-exempt pursuant to Section 501(c)(3) of the Internal Revenue Code.

The Corporation applies accounting policies that prescribe when to recognize and how to measure the financial statement effects of income tax positions taken or expected to be taken on its income tax returns. These rules require management to evaluate the likelihood that, upon examination

Part XIII Supplemental Information (continued)

by the relevant taxing jurisdictions, those income tax positions would be sustained. Based on that evaluation, the Corporation only recognizes the maximum benefit of each income tax position that is more than 50% likely of being sustained. To the extent that all or a portion of the benefits of an income tax position are not recognized, a liability would be recognized for the unrecognized benefits, along with any interest and penalties that would result from disallowance of the position. Should any such penalties and interest be incurred, they would be recognized as operating expenses.

Based on the results of management's evaluation, no liability is recognized in the accompanying balance sheets for unrecognized income tax positions. Further, no interest or penalties have been accrued or charged to expense as of July 31, 2020 and 2019 or for the years then ended. The Corporation's tax returns are subject to possible examination by the taxing authorities. For federal income tax purposes, the tax returns essentially remain open for possible examination for a period of three years after the respective filing deadlines of those returns.

The Internal Assessment Team, 21 members in all, was a blend of hospital staff, and strategic community partners located in Dougherty County, GA. Early on, hospital leadership made the decision to use the Multiple Organization Partnership Model as the approach to Determine How the Community Health Needs Assessment Will Be Conducted. This approach engages multiple organizations, provides a broader focus, and allows greater input in need identification and determining appropriate strategy for action. Members of the internal assessment team performed key leader interviews, the purpose of which was to gather information, gain knowledge and receive input regarding health issues facing the organization's service area. The interview selection process was careful to include representation that reflects the make-up of patients receiving services in the organization's service area (religious, medical practices, community volunteers, business, political, public health, and the elderly).

Needs assessments have traditionally led to the creation of community-based delivery systems that expand access to health care, meet the needs of the people and build healthy communities in the broadest sense by impacting major determinants, such as economic development, employment, children's safety, education and adequate housing.

The organization conducts regular needs assessment through formal and informal surveys and processes, including collaborations with public and community agencies. Through strategic planning and community interviews, the organization develops programs and services that consider the economic imperatives of the region, the effect of legislation and the involvement of other community-based organizations and partners.

The organization regularly conducts focus groups in the community to understand issues affecting its patients, and has created programs in response to health disparities prevalent in the area.

Part III - Other Additional Information

Schedule J, Part I, Line 4 - Supplemental Nonqualified Retirement Plans:

Deferred Compensation Plan 457(b):

The Deferred Compensation Plan is an additional retirement plan offered through Phoebe Putney. The 457(b) plan is an eligible deferred compensation plan that allows one to defer additional dollars towards retirement.

Highlights Include:

- o Not limited by the amounts deferred into the Phoebe 403(b)
- o Plan is subject to annual deferral limits set by the IRS
- o Per IRS regulations, each participant is a general unsecured creditor of the plan sponsor.

An eligible Employee is one who is determined by the Employer to be a member of a select group of management or highly compensated employees within the meaning of Sections 201(2), 301(a)(3), and 401(a)(1) of ERISA.

Supplemental Executive Retirement Plan (SERP) 457(f):

PPHS relies on an independent compensation committee, independent compensation consultant, surveys, well documented methods and board approval to establish total compensation of the CEO and executive officers.

Part III Supplemental Information

Provide the information, explanation, or descriptions required for Part I, lines 1a, 1b, 3, 4a, 4b, 4c, 5a, 5b, 6a, 6b, 7, and 8, and for Part II. Also complete this part for any additional information.

Certain board approved employees are eligible to participate in a SERP that provides certain defined annual pay credits that are subject to a substantial risk of forfeiture. The purpose of the SERP is to provide a long-term incentive and retirement benefit for affected executives consistent with the benefit available to employees not impacted by IRS compensation limits on defined benefit plans. The amounts reported as supplemental executive retirement compensation for eligible employees in Schedule J represent credited, but not vested, benefits, and the amounts are available in future periods to the employee subject to continuing employment. PPHS maintains ownership of the funds allocated to each participant until vesting and payment.

For a participant in the SERP prior to 1/1/2017 (a "grandfathered participant"), the first vesting date will occur on the date the participant attains five years of participation under the plan. After the initial vesting date, a grandfathered participant shall have a new vesting date once every 5 years. These additional vesting dates will occur on the 5th anniversary of each vesting date after the initial vesting date. On each vesting date, a grandfathered participant will become 100% vested in

Part III Supplemental Information

an amount equal to the participant's account balance reduced by any pay credits credited to the account for the 2 most recent plan years.

For participants initially participating in the SERP after 12/31/2016, each year's annual pay credit plus subsequent earnings and/or losses will 100% vest on that pay credits' 5th anniversary, provided that the participant remains in the continuous employment throughout the 5-year period for each annual pay credit.

If any eligible participant attains normal retirement age prior to this separation from service, they shall vest in 100% of the account balance.

Once vested, each participant shall receive a distribution of their entire vested amount within a reasonable period not to exceed 2.5 months. This distribution is treated as reportable compensation to the participant and is included in Part II, Column B(iii). Therefore, Part II, Column B(iii)

includes prior year SERP deferrals previously reported in Part II, Column C. Any distribution amount included in Part II, Column B(iii) that was previously reported in prior periods as deferred compensation in Part II, Column C is disclosed in Part II, Column F.

Certain executive officers and physicians are eligible for bonus/incentive payments. These bonuses are determined based on the achievement of various organizational and personal performance goals established by a formal process in keeping with the organization's tax-exempt status.

Compensation Process for Top Official as Determined by PPHS

The organization's formal process for determining total compensation for the CEO is intended to provide reasonable compensation for accomplishing the organization's mission, achieve its strategic goals, to recognize performance, and to operate in keeping with the organization's obligations as a tax-exempt charitable organization.

The Executive Compensation Committee of the PPHS's Board of Directors conducts an annual review of the compensation of the CEO. The Committee retains a qualified independent compensation consultant to conduct competitive market analysis of the market ranges of base, incentive and total cash compensation. The information the committee may consider can include but is not limited to the performance of an individual, the performance of the organization, an individual's length of service, credentials and experience, the elements of total compensation and salary

Recently Adopted Accounting Pronouncements

In February 2016, the FASB issued ASU No. 2016-02, Leases (Topic 842), which is a new comprehensive lease accounting model. The new standard clarifies the definition of a lease and requires lessees to recognize right-of-use assets and related lease liabilities for all leases with terms greater than twelve months. As part of the transition to the new standard, the Corporation was required to measure and recognize leases that existed at August 1, 2019 using a modified retrospective approach. The Corporation applied the new standard at the adoption date and recognized a cumulative-effect adjustment to the opening balance of net assets in the period of adoption. The Corporation elected the package of practical expedients permitted under the new standard that allowed the Corporation to carry forward historical lease classification. The Corporation also elected the practical expedient thatw allowed the Corporation to not separate nonlease components from the associated lease components.

Form 990, Part XII, Line 3b - Reason for Not Undergoing Required Audit

During fiscal year 2020, Federal awards expended exceeded the \$750,000 threshold requiring a Single Audit (previously known as the OMB Circular A-133 audit). The substantial portion of these Federal expenditures related to the funding associated with the "Coronavirus Aid, Relief, and Economic Security Act" (CARES Act). Typically, the Single Audit due date would be nine months from the end of the fiscal year being reported on

Name of the organization Phoebe Putney Memorial Hospital,	Employer identification number 58-1928247
--	--

(April 30, 2021). However, the deadline to submit the required Single Audit has been extended by the Office of Management and Budget (OMB) to include an additional six months beyond the original nine-month period (November 1, 2021). As such, PPMH has not undergone the Single Audit associated with its fiscal year 2020, but arrangements have been made to undergo this Single Audit and to ensure its completion prior to the extended deadline.
