

# TRAUMA & CRITICAL CARE TOWER

## Building a better future.

### *The Project*

#### **Trauma & Critical Care Tower**

The Tower will be the new home for Trauma and Critical Care on our campus transforming emergency care across the region through a new and expanded emergency center at Phoebe's main campus and creating a state-certified Level II Trauma Center. The tower will also include a new 20-bed adult ICU and bring the current NICU from 11,000 sq ft to 45,000 sq ft. **This building may bear your name or the name of a loved one with an investment of \$3,000,000.**

#### **Jewel Box**

This is the centerpiece of the new tower and will be a space that leads you to all points in the new tower. **The Jewel Box may bear your name or the name of a loved one with an investment of \$1,000,000.**

#### **Street**

This new street will be an access point onto our campus adjacent to the new tower. **This street may be named with an investment of \$500,000.**

#### **Plaza**

The plaza will be a gathering space and offer a tranquil place of respite for visitors and employees. **The plaza may be named with an investment of \$500,000.**
