to Rural Treatment*

STEP 1

START WITH A NUMBER

Do you know how much you paid in Georgia state income tax last year? That's a good place to start when considering your Georgia HEART contribution.

Not sure? Take a look at last year's Georgia tax return or give your CPA a quick call. They can help you determine an appropriate amount based on your individual tax situation.

STEP 2

APPLY ONLINE

Visit **GeorgiaHEART.org** and complete the online application, selecting Phoebe Sumter Medical Center as your hospital.

The application itself can be completed in just a few minutes.

STEP 3

KEEP IT LOCAL

Once approved, follow the Georgia HEART instructions to complete your contribution.

Your qualifying contribution can earn a 100% Georgia state income tax credit - redirecting tax dollars you already owe to support healthcare right here at home.

THAT'S IT.

A few minutes of your time can help keep your tax dollars working in the community where you live, work and play.

Same tax dollars. Huge local impact.
